Appendix "B"

Key to overlay of Town Plan of L'VOV (G.S. 4435)

No. 1 MVD Directorate (Upravleni MVD) for L'VOV Oblast.

This is a dark-grey 5-storeyed building at the corner of Ulitsa Mitskevicha and Ulitsa Gor'kogo, with the main entrance in Ulitsa Gor'kogo.

No. 2 Politekhnicheski y Institut (Polytechnical Institute) in Ulitsa Stalina.

This is a yellow, 4-storeged building, where about 400 young persons study in various Faculties, three of which are the Oil Faculty (Neftyano Fakul tet) - started in 1947 - the Geodesical Faculty, and the Timber Industry Faculty (Fakul tet Lesno Promyshlennosti)

- No. 3 Site of three steel trellis-like masts (similar in appearance to electric pylons) each 40/50 metres high, believed to be a jamming station directed against Western broadcasts in Russian. The area is fenced off, a sentry in the uniform of the MVD troops is on guard, and no other buildings are 25X1 visible.

 dation.
- No. 4 Main Post Office.

This is a large, dark-grey, 3-storeyed building, about 60 metres long situated between the parellel streets of Oktyabrskaya Ulitsa and Ulitsa Kopernika. On the 1st floor are the Telephone and Telegraph Offices, on the second floor the Post Office, and on the 3rd floor the Staff Offices.

- No. 5 The citadel (Tsitadel'). This has existed for very many years. A Battalion of Soviet infantry is stationed there. For the last 3 years or so they have been engaged in large-scale excavation work in the hill on which the citadel stands. Informant does not know what they are building, but thinks it may be an underground military depot. The troops are accommodated in the former Polish barracks in the area.
- No. 6 Directorate of MVD Troops (Upravlenik Vojsk MVD) for the city of L'VOV.

This is a yellow, 3-storeyed post-war building on the South side of Ulitsa Mayakovskogo. There are 4 or 5 separate entrances at each of which stands a uniformed MVD sentry. About 700 MVD troops can be, and probably are, accommodated here. In a smaller 2-storeyed building on the opposite side of the street is housed the H.Q. (Shtab).

No. 7 H.Q. Carpathian Military District (Shtab Prikarpatskogo Vojennogo Okruga).

This is a very large, old (but in good condition) 3-storeyed building situated on Ulitsa Vatutina. There are about 30 separate entrances. About one Company of Infantry Troops are there as guard. The remainder of the personnel are office staff spread out over many departments.

-

No. 22200000

-4-

No. 8 Gorkompartii (City Party Committee) of the Komsomols, and one of the regional committees (Rajkompartii) of the Communist Party.

This is a 3-storeyed building at No. 14 Akademicheskaya Ulitsa.

- No. 9 A unit (type and size unknown) of MVD Troops (Vojska MVD) in Gvardejskaya Ulitsa.
- No. 10 Annexe to L'VOV University (Filial Universiteta), at which are housed the Physics/Mathematics, History, Chemistry and Botany Faculties.
- No. 11 Directorate of former MGB.

This is a large, fine 4-storeyed building about 40 metres long (built just before the Second War), situated at No.38 Kadetskaya Ultsa. No notice or sentry is visible outside. Since the merger of the MGB and MVD after STALIN's death there has been no visible change in the external appearance of the building.

No. 12 Tram Depot (Trampark).

Here there is space for about 10 trams, which can also be overhauled and maintained on the spot.

No. 13 Political School (Politicheskoe Uchilishche) and University Students' Hostel (Obshchezhitie Universiteta).

The Political School is housed in former Polish barracks: a large, 4-storeyed building surrounded by a high stone wall. About 400 cadets attend 3-year courses on which they are trained to become Political Officers (Zampolity) in the Armed Forces.

- No. 14 This former Polish Park (known as Halickie in Polish) is now a Soviet Park of Culture and Rest (Park Kul'tury i Otdykha).

 Agricultural Exhibitions are frequently held there.
- No. 15 10th Division of the Militia (10-% Otdelenik Militsii), situated at the beginning of Akademicheskaya Ulitsa.
- No. 16 5th Division of the Militia (5-de Otdeleni)e Militsii), situated in Zelenaya Ulitsa.
- No. 17 Secondary School No. 6 (Shestaya Srednaya Shkola), situated in Zelenaya Ulitsa. There are 10-classes (Desyatiletka). It is a 5-storeyed building, where about 700 pupils attend.
- No. 18 Cinema (Kinoteatr imeni Shchorsa), in Akademicheskaya Ulitsa.
- No. 19 Komendatura for the city of L'VOV.

This is a 3-storeyed building, where about a dozen officers and a company of o.R.'s (Infantry) are stationed; military police patrols are drawn from this unit.

- No. 20 Town-Hall (Ratusha), in Ploshchad' Rynok. Here are located the various administrative departments of the Gorsovet.
- No. 21 Gorkompartii (City Committee of the Communist Party) of the city of L'VOV. This building is situated in a small park; the main entrance is from Ofitserskaya Ulitsa.

No. 50

A Radio Mast about 50 metres high, enclosed by electrified barbed wire and a notice reading "Stop, or you will be shot" (Stoy, Strelyayu).

The broadcasting mast of L'VOV Radio.

No. 51 Locomotive Repair Plant (Parovozoremontny) Zavod), built since the Second World War and completed in 1952. The former Polish Locomotive Repair Plant (exact location not known) was heavily damaged during the war.
